

Stowmarket at the Deben Skins Open meet 19/7/08

37 members of Stowmarket Swimming Club travelled to Woodbridge to compete in the final gala of the season hosted by Deben SC. It gave the team members a further opportunity to improve their personal best times and to have some fun at the end of the season. Out of 104 individual swims there were 30 personal best time (pb) and the fastest 24 girls and 24 boys in the freestyle qualified for the ever-popular skins event. The skins event is whereby the qualifiers were divided in to 4 finals of six swimmers for each group and then each final is raced 5 times with the slowest swimmer dropping out each time. To give it an added twist the stroke was selected just before each round, which introduced a random element that could mean a strong swimmer in one stroke, may get beaten in their lesser stroke. There was also a cash prize for the winner of each final. The Stowmarket team were successful in four finals, the boys "D" final was won by Ryan Clay (13), Ella Delves (14) took the Girls "B" title just ahead of her team colleague Georgia Rickards (13) and the Boys "A" final was won by Will Blackaby (16). It was very an enjoyable event with a lot of support from the stands. The Stowmarket swimmers continue training until the end of July before a well-earned break for the summer holidays.
